Solu 365 SaaS Now Available in the Microsoft Azure Marketplace

Microsoft Azure customers worldwide now gain access to Solu 365 to take advantage of the scalability, reliability, and agility of Azure to drive application development and shape business strategies.

ESPOO, Finland — April 22, 2022 — [Solu Digital](#), a leading developer of digital teamwork in Finland, today announced the availability of [Solu 365 in the Microsoft Azure Marketplace](#), an online store providing applications and services for use on Azure. Solu Digital customers can now take advantage of the productive and trusted Azure cloud platform, with streamlined deployment and management.

Moreover, Solu 365 customers can now get automated workgroup provisioning in their Microsoft 365 tenants as a service from Azure.

“Solu 365 introduces structure and transparency in collaboration. It helps our customers to keep their Microsoft Teams environment tidy and uncluttered,” said Jari Kyläjärvä, Chairman of the Board at Solu Digital. “Implementing Solu 365 with a governance model can significantly improve the adoption process of collaboration tools and level alignment in Microsoft Teams.”

Solu Digital considers information as a competitive asset and strives to discover solutions for its customers that support their leadership and competitive advantage.

Solu 365 SaaS helps with aligning objectives, streamlining processes, and supporting users in their everyday quest for meaningful collaborations. It provides customers with use case driven automation to help develop and support collaboration and shared practices. Solu 365 works best when deployed together with Solu 365 Portfolio app, a Teams personal app,

and a SharePoint web part for transparency and easy access to all teams and collaboration tools in Teams.

Jake Zborowski, General Manager, Microsoft Azure Platform at Microsoft Corp. said, “We’re pleased to welcome Solu Digital’s Solu 365 software to the Microsoft Azure Marketplace, which gives our partners great exposure to cloud customers around the globe. Azure Marketplace offers world-class quality experiences from global trusted partners with solutions tested to work seamlessly with Azure.”

The Azure Marketplace is an online market for buying and selling cloud solutions certified to run on Azure. The Azure Marketplace helps connect companies seeking innovative, cloud-based solutions with partners who have developed solutions that are ready to use.
